Our arrival into the world started with being born as baby, our world started with small circle of family with lots of love shower and things all given as we cried for, then we grown and our world expanded... And our desires maybe be met or may mix with disappointments.

Luke 17:27-28, 30 NIV

People were eating and drinking, buying and selling, planting and building. "It will be just like this on the day the Son of Man is revealed.

We all have different characteristics and temperaments, but we can let JESUS take over and have self control.

We all have different body types, but whatever shape we are, we can still live like JESUS

We have different natures

Let JESUS redeem them all and direct our lives.

Bro Lawrence (1611-1691 Nicholas Herman)- live every moment of his life in every moment of his life, being a worker in a kitchen or as a soldier, all is common to him as a servant to the servant of GOD.

We must allow JESUS to lead us in our lives like ship to the Captain.

So that we can have life and have it to the full
