## **Luke 2:8-14 A Supernatural Birth**

*“And in the same region there were shepherds out in the field, keeping watch over their flock by night. And an angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with fear.*

*And the angel said to them, ‘Fear not, for behold, I bring you good news of a great joy that will be for all the people. For unto you is born this day in the city of David a Savior, who is Christ the Lord. And this will be a sign for you: you will find a baby wrapped in swaddling cloths and lying in a manger.’*

*And suddenly there was with the angel a multitude of the heavenly host praising God and saying, ‘Glory to God in the highest, and on earth peace among those with whom he is pleased!’”*

The background of the image is a dark, starry night sky with a prominent bright star in the upper center. Below the star, the silhouettes of the Nativity scene are visible against a lighter, hazy horizon. On the right, the Virgin Mary is shown kneeling in prayer, holding the infant Jesus. In the center, the baby Jesus lies in a manger, with a manger animal (possibly an ox or donkey) looking towards him. On the left, two other figures are shown in silhouette, likely Joseph and another woman. The overall scene is peaceful and reverent.
