By: Elder Richard Koh

Bible Ref: Luke 10:27 NIV

He answered, “ ‘Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind’ ; and, ‘Love your neighbour as yourself.’ ”

The Great commandment is what matters to GOD, not so much the great Commission?

Why? The Great Commission will be fulfilled somehow by GOD.

BUT, without following the Great Commandment, we can never accomplish anything for the Great Commission.

Campus Crusade had turn to digital reaching out the young people.

CV goal is to follow up to help follower or believer to be CHRIST centred disciples who will multiply disciples in love.

GOD is doing a lot to reach out to the unreachable, we just have to trust GOD to do wonders.

For GOD so love the world, not just people we know, but everyone.

If we truly love GOD / JESUS, it should not matter to us how to serve GOD, which way we take, but focus on loving JESUS.

DON'T serve as a job, but serve with CHRIST in heart, with love for JESUS, because HE first loved us to die for us on the cross.

Christian

6++k million to 2.03 billion in 2019

The other religion group:

68mill to 1.33 billions in 2019

WHY????

We believed in true and living GOD, why / how can we grow slower than the other group??

GOD can make anything happened without us, but we can accomplish the Great Commission if it is done in ACCORDING to HIS will – that is to “with all your soul and with all your strength and with all your mind’ ; and, ‘Love your neighbour as yourself”.
